ALO OF YELLOW STONE PARK ON INCREASE

(By Associated Press.)
Yellowstone Park, July 7.—Concrete evidence that the wild buffalo population of the National Park, the last remaining remnant of the great herds once roamed the western plains, are on the increase, instead of out, as was feared, has been obtained in the discovery of a new herd in the southeastern portion of the park. About 15 animals were observed, evidently a part of the old herd which it is thought grew so that some of its members were able to break away and seek new range.

Additional information has been obtained by park authorities that there are now more than 100 of the wild buffalo in the park. Formerly there were only about half that number. When discovered, the new herd was five miles from one of the large herds in the park and a snap shot was obtained of one of the animals, a fine bull, probably the first photograph ever taken of a wild buffalo.

Recently the wild buffalo are being hunted by tourists and only rarely by authorities, even by the man alone having been thrown out or called out of employment. Of the 200,000 head of cattle and horses between 2,000 and 3,000 have left for other manufacturing centers, only about 6,400 out of 7,800 union cigarmakers being left in the city, according to Secretary Joe Muniz of the Joint Advisory Board of the four local unions. Many of the non-union workers have also left.

The court issued a rule on Colby and Palmer to show cause July 13 why motion should not be granted basis. In proceeding it is claimed ratification by West Virginia illegal because accomplished by fraud and the proposed ratification by the Tennessee legislature would be illegal on the ground that the legislature lacked authority under the state's constitution to act on the measure.

(Tampa Tribune.)

10 INNINGS AND GAME CALLED ON ACCOUNT OF DARKNESS

(Tampa Tribune.)

Lakeland battled the Smokers to a ten-inning 2 to 2 tie yesterday afternoon at Plant field in a game that proved one of the best of the season despite its being long drawn out and slow. Both Lang and Watts were in good form and pitched good ball. Watts had the better of the affair until he weakened momentarily in the eighth and allowed the visitors to tie the score. Three singles and a two-bagger did the trick. The Smokers made their tallies in the fourth and seventh and the game looked as though it had been iced when the visitors put up Jimmy Manes in the eighth pinching for Kowitz. Jimmy whiffing with ease, but his hired men soon tore the Smokers loose from a win.

The game was full of great fielding stunts. Brack, LaMotte and Watts contributed in this respect. The contest marked the end of Heinie Vaughn's batting streak. For sixteen consecutive games he had hit safely for one or more bingles but could do nothing with Lang. The first sacked went out twice on pop flies, once he was hit, was passed once and reached first on an error once. Foss and Vaughn ran wild on the bases, the former stealing thrice and the latter twice.

"Skinny" Watts heaved a great game until he weakened in the eighth. Until that frame the visitors had secured only two measly bingles. They both came in the fourth and it seemed for a moment the tallying would begin here but he steadied and the storm blew over. Without any warning at all they waded into his offerings in the eighth and sewed up a perfectly good ball game before "Skinny" realized what had happened.

The game went along smoothly until the fourth with neither team threatening very seriously. Barber started the fireworks with a terrific three-base clout to left. Brack fanned and Leach was passed. With two on, Nance came to bat amid the cries of the fans to do something, he hit to Dean and was safe on the second. Fry, McLean, Vaughn. Time of game, 2:05. Umpire, Murphy. Attendance, 273.

was safe on a fielder's choice and the bases were loaded. Palmer then smashed a two-bagger tot left and two counters were marked up for the

Just the inning before the Smokers had made their second tally. It looked like enough to win any ball game, but it wasn't. LaMotte started off by lining out to Ery. Felix then fanned and Vaughn was banged in the ribs. Heinie stole second and scored when Kowitz let an easy grounder from Foss go through him.

At the end of the tenth, Umpire Murphy cast his eye heavenward and decided it was too dark to do any more work for the day and called it off.
